Education

Vel Tech High Tech Dr.Rangarajan Dr.Sakunthala Engineering College
B.E in Computer Science & Engineering

2022 - 2026
8.36/10 CGPA

Experience

Top Tech Developers

Nov 2024 - Dec 2024

Web Developer

Intern

- Developed and maintained responsive web applications, collaborating with a team to enhance user experience and optimize performance.
- Gained hands-on experience in front-end development, applying best practices in web design.

International Institute of Digital Technologies

June 24

Cybersecurity Intern

Intern

- Assisted in identifying and mitigating security vulnerabilities, conducting risk assessments, and implementing security measures to protect company assets.

Projects

Personal Portfolio

Source Code

- Built using HTML5, CSS3, and JavaScript with a fully responsive design, ensuring smooth performance, fast loading times, and accessibility across all devices.
- Organized sections including About, Skills, Projects, and Contact for structured navigation.
- Enhanced user experience with smooth transitions, and seamless navigation.

Mexant Landing Page

Source code

- Developed using HTML5, CSS3, and JavaScript with a fully responsive design.
- Designed a structured navigation bar with multiple sections and dropdown menus for easy navigation.
- Created an engaging hero section with high-quality visuals, compelling text, and call-to-action buttons

Analyse and Identification of the Malicious in Mobile Application

Source code

- Developed a fully functional tool in Python for detecting malicious content in mobile applications.
- Utilized a dataset from Malware Bazaar to train and test the tool, ensuring accuracy in detecting threats. Enhanced user experience and security by identifying and mitigating potential risks in mobile applications.
- Strengthened application security and user safety by identifying vulnerabilities, mitigating risks, and providing insights into potential attack vectors used by malicious software.

Technical Skills

Operating Systems : Windows

Frontend : HTML, CSS, JavaScript

Databases : SQL

Programming Languages : Java

Developer Tools : VS Code

Achievements

- Academic Excellence Award.
- TCS CodeVita - Season 11 - secured rank 855 in round 2
- Winner of Algorythm Codeathon

Courses

- The Joy of Computing Using Python from NPTEL.
- HTML from Udemy
- Basic Excel Certification from Great Learning.
